New Pew and Church Furniture Web Site

Master Seating, one of America's leading church pew and church furniture companies, has launched a new web site at <http://www.masterseating.com>. Serving churches in Georgia, Alabama, Arkansas, Louisiana, Mississippi, Kentucky, Indiana, Illinois, Texas, Tennessee, Florida, Missouri, Maryland, Ohio, North Carolina, South Carolina, Virginia and West Virginia, Master Seating is totally committed to providing superior customer service from the planning stage until the installation is complete. They make every effort to build pews and church furniture that you can be proud of when your children and their children are still using this same furniture years from now. Master Seating is dedicated to helping you reach your dream of beautiful church seating that will last for generations.

Church Pews

Church Pews from Master Seating are known for quality, beauty, comfort, and affordable prices. They take no shortcuts during the pew manufacturing process, insuring top quality construction and lasting strength. Your pews will be manufactured by some of the industry's most talented craftsmen, using quality materials and state of the art machinery. Pews are available in beautifully finished pine or hardwood, in natural or white colonial style finishes, with or without padded upholstered cushions, and also available with upholstered backs. The pews are available with or without kneelers, song book holders, and other accessories, and you may choose from hundreds of fabrics. Rest assured your new pews from Master Seating will be the best available on the market today.

Church Furniture & Church Chairs

Master Seating also has any type of church furniture you will need for your church sanctuary, including chancel furniture, pulpits, communion tables, flower stands, clergy chairs, choir chairs, offering boxes and other church furnishings. Pulpits, prayer rails and chancel furniture are available in matching sets to complement new pews or any existing furniture in your church. Their furniture is made from the finest pine and hardwood materials with natural wood finishes or white finishes with contrasting stained wood accents. Church chairs are available in a variety of fabric colors, and choir chairs may be ordered with metal or wood frames, with or without songbook holders. Master seating will help you from start to finish to make sure all your church furniture is delivered and installed in a timely and courteous manner.

Baptisteries and Church Steeples

In addition to pews and furniture, Master Seating can also provide baptisteries and church steeples. Their baptisteries are available in a variety of styles and sizes to fit just about any church, and are available many with different features. Some of the baptisteries are made for the minister to be outside the baptistery while

baptizing a candidate, while others are designed for both the minister and candidate to be in the baptistery. Other baptistery options include clear side windows, steps, and two piece baptisteries for easier installation. Church steeples are available in many shapes and sizes. The steeples are made of fiberglass for strength, long life, and light weight. Visit the Master Seating web site to see the many styles and sizes of church baptisteries and church steeples.
